

# Earth Light - Wall

Earth Light, wall mount, regular and large – Terracotta

Earth Light, wall mount, regular – Speckled white gloss

Earth Light, wall mount, regular – Charcoal

The Earth Light has been designed in wall, pendant and ceiling mount formats. The elemental geometric form is both simple and architectural; all fittings are thrown on a potter's wheel giving each light a unique quality and a surface rich with the evidence of its handmade process.

The fitting can be purposefully used in wall, pendant and ceiling mounted formats across a range of residential and commercial environments. The wall and pendant fittings are available in two sizes and the wall light is available in an indoor and outdoor installation option. Electrical componentry and the mounting system are designed to complement the handmade nature of ceramics.

After an initial firing, the fittings are hand finished with glazes developed for the lighting collection and then fired one final time. Inspired by place, clay body and glaze fit are developed together inhouse to the highest standard.

ANCHOR

# Earth Light - Wall

Design	Bruce Rowe for Anchor
Year of Design	2014
Light type	Wall mount – up or down
Material	Wheel thrown ceramic

Technical - Wall Mount	Approximate size - regular	100 Ø 170mm tall	
	Approximate weight - regular	1.25 KG	
	Approximate size - large	125 Ø 215mm tall	
	Approximate weight - large	1.75 KG	
	Light source	Gu10 LED Globe Max. 9W	Globe not supplied
	Lamp holder	Gu10	
	Lumens / Colour temperature	Globe dependent	
	Primary voltage	240V AC	
	IP Rating	IP20	
	Wall mount	Integrated, powder coated aluminium wall mounting system	

## Glaze finishes

Issued January 2024 - This document supercedes all previous

Dimensions and colour representations are approximate and subject to change in the making process. Dimensional tolerance and colour compatibility should be considered at the design stage. Every effort is made throughout the making process to ensure accuracy. Anchor reserves the right to alter these details without notice in compliance with its own production needs, technological changes or in response to other unforeseen factors. Anchor does not guarantee technical or dimensional accuracy or exact colour match for any products.
